Córdoba - Spain

ISHW-2026 First Announcement

We are pleased to announce that the **25th International Stellarator Heliotron Workshop (ISHW-2026)** will take place in the historic city of **Córdoba, Spain, in April 20-24, 2026.**

The scientific programme will include invited lectures, oral and poster presentations, and is open to contributions on all aspects of plasma physics, science, and technology in helical devices.

The main topics covered are:

- 3D effects on transport and confinement
- Impurity sources and transport
- Plasma edge physics and plasma wall interaction
- Energetic particles, MHD and plasma stability
- Theory and simulation
- Energy, particle and momentum transport
- Stellarator relevant fusion technology
- Stellarator and Heliotron reactor design studies
- 3D effects in Tokamaks and Reversed Field Pinches

Exhibitors and sponsors are also cordially invited to participate. This event offers companies a valuable opportunity to showcase their innovations, capabilities, and expertise to the international stellarator fusion community.

Venue

The 25th ISHW will be held at the **Córdoba Conference and Exhibition Centre (Palacio de Congresos)**: <https://en.andalucia.org/listing/cordoba-conference-centre/10915101/>

A beautiful 16th-century building located in the heart of Córdoba's old town, just steps away from the renowned Mosque-Cathedral of Cordoba, a UNESCO World Heritage Site since 1984.
